## Inkursive Kitazawa Pen with Fine nib

Dear Customer,

Thank you for purchasing an Inkursive pen, I hope it gives you many years of valuable use. I have made some notes below to help you get the best out of it.

In case of any issues, please contact me first as I may be able to rectify the problem.

### Features:

- Fine nib
- Transparent clear body
- High capacity piston filler
- Screw on cap with seal
- Secure Clip

## Filling

Use only fountain pen ink. Other ink may contain particles that can clog the nib. To fill, hold the barrel and twist the end cap anti-clockwise till the piston goes to the top of the pen. Insert the nib in an ink bottle. Twist the end cap clockwise till the piston reaches its limit and clicks. Remove the pen from the ink.

This pen is not suitable for cartridges or a converter.

## Cleaning

Before storing for long periods clean the pen to remove any ink. The piston mechanism can be removed by unscrewing the end ring, and carefully pulling it out.

If you have any issues or comments, please contact me on the email above or via the site where you purchased the pen.

Please leave feedback for the pen wherever you bought it, whether your experience was good or bad, as this helps other buyers as well as myself.

Again thank you for your purchase, and I hope you enjoy your new pen,

Tom Kelsey

**PS If you have time, I would love to hear your thoughts and/or pictures of your new pen on a review where you bought it**
